

DealerDOCX
DOCUMENT INTELLIGENCE

**CONTACT YOUR ADA TO REDEEM
YOUR EXCLUSIVE OFFER**

Enjoy a fast and easy setup. Our solution makes it simple to search for and access all of your secured documents. Streamlining your internal processes and increasing profitability, while mitigating outside risks.

We take care of the entire process, scanning, uploading, and accessing your documents has never been easier. The best part, you get to clear the piles of boxes out of your empty offices, while eliminating hours of paper work and prep for OEM Audits.

DOCUMENT INTELLIGENCE

DealerDocx's Document Intelligence solution improves dealership operational efficiency and the productivity of all dealership personnel. Our solution allows for fast, secure, high-quality cloud-based document management.

**Cloud-Based
Solution**

**Easy
Integration**

**Fast &
Secure**
